

# Year 8: Steel Calypso

## Key Words

**calypso** – a style of music from Trinidad and Tobago and particularly associated with carnivals

**chord** – more than one note played at a time (often 3)

**melody** – the tune

**syncopation** – emphasis on the ‘off-beats’

**major key** – when music uses notes from a major scale (will sound positive / happy)

**minor key** – when music uses notes from a minor scale (will sound sinister / sad / mysterious)

**verse** – section of music where the words are new but the music is the same every time

**strophic** – a kind of structure consisting of a series of verses
