Computer Science		Further Mathematics	
Drama and Theatre Studies		Music	
Economics		PE	
English and English Literature		Philosophy, Ethics and Religion	
English Literature		Photography	
Film Studies		Physics	
French		Product Design	
		Psychology	

If you are interested in applying for the Norwich City Regional Football Scholarship programme at Hartismere, please tell us why you'd like to apply, and about your interest in and experience of football.

If you are applying for the football programme, you do not have to take PE A level if you do not want to.

Please tell us about your subject choices and why you chose them

Optional enrichment courses: you may choose one of these **in addition** to the A Level subjects you will take in Year 12

Extended Project ☐

Spanish GCSE ☐

*Core Maths ☐

* Core Maths is a level 3 maths qualification aimed at students who have a level 4,5 or 6 in maths at GCSE. It is designed to improve students' mathematical and problem solving skills and to help with the maths in other subjects such as the sciences, psychology, geography and economics.

Please write down any subjects not listed that you would like to take:

Please tell us if you have any particular educational needs or difficulties (such as dyslexia) and whether you have had extra time in your exams or received other support, such as use of a laptop.

What would you like to do in the future (for example: university (please state which subject you might be interested in studying), armed forces, career in engineering, apprenticeship etc)?

☐ Please tick here if you think you might be interested in applying to Oxford or Cambridge Universities (Many applicants will have at least 6 A* grades or equivalent at GCSE)
