Key stage 5 data: 2022

Given the uneven impact of the pandemic on school and college performance data, the government advises that direct comparisons between the performance data for one school or college and another, or to data from previous years should not be made.

Measure	Note
Progress	The government has not produced progress (value-added) measures at 16-18 this year as they would need to use grades achieved between January 2020 and August 2021 to do this. 16-18 progress measures will return from 2023/24.
