Office use

Once you've received your results, you may wish to have your marks reviewed. There are **three options** available:

- Access to scripts - an electronic version of your script can be emailed to you, usually within 48 hours.
- Service 1 - a **clerical check**. The marks are added up again and checked against the board's database. A check is then made that the correct grade was awarded. Your script is not reviewed. This usually takes one or two weeks.
- Service 2 - a **review of marking**. Includes: a clerical re-check, a second examiner will review the paper/recording again to identify genuine marking errors or unreasonable marking and make sure all the marks are counted. **Your grade can go down as well as up.** This usually takes one or two weeks.

You should get advice from your subject teachers before making a decision:

- They have a full breakdown of your marks and can look at your script.
- They may have already requested a remark if they have any concerns.

**IMPORTANT:** Your marks and grade can go **down** as a result of a remark.

Service 1 and Service 2 incur a fee that is set by the Awarding Bodies. Please attach a cheque payable to *Hartismere School*, cash, or contact our finance department for other options.

**Fees are per paper**, not per subject. For example: to remark 3 mathematics papers costs three times the unit fee.

If the outcome results in a change of grade the fee is waived and your payment will be refunded.

If you have any questions or concerns, you should talk to or email:
